101 Design Methods is the first step-by-step guidebook for successful innovation through design thinking. Unlike other popular titles, 101 Design Methods approaches the practice of creating new products, services, and customer experiences as a science, rather than an art, providing a practical set of collaborative tools and methods for planning and defining successful new offerings.

101 Design Methods: A Structured Approach for Driving ...  
Unlike other books on the subject, 101 Design Methods approaches the practice of creating new products, services, and customer experiences as a science, rather than an art, providing a practical set of collaborative tools and methods for planning and defining successful new offerings. Strategists, managers, designers, and researchers who undertake the challenge of innovation, despite a lack of established procedures and a high risk of failure, will find this an invaluable resource.

101 Design Methods by Kumar, Vijay (ebook)  
"Universal Methods of Design is a landmark method book for the field of design. This tidy text compiles and summarizes 100 of the most widely applicable and effective methods of design—research, analysis, and ideation—the methods that every graduate of a design program should know, and every professional designer should employ.

Universal Methods of Design: 100 Ways to Research Complex ...  
Titles that include "101" in the title tend to be nothing more than a straightforward list of things without much detail. I was doubtful too that there \*are\* 101 design methods. Turns out I was wrong on both counts. The important thing to realise about this book is that "design methods" are not your father's design methods.

101 Design Methods A Structured Approach For Driving ...  
"Design thinking is a method that can be applied to nearly any endeavor, business scenario, or social reform. In his book, 101 Design Methods, author Vijay Kumar describes how design methods can be applied as a science, rather than through art, through practical steps of observation, reframing, ideation, prototyping, and planning."
