AP Calculus AB Test Score Calculator - AP Pass  
2008 AP Calculus AB and AP Calculus BC Released Exams. Approximately every four years, on a staggered schedule, the AP® Program releases a complete copy of each exam. In addition to providing the multiple-choice questions and answers, the publication describes the process of scoring the free-response questions and includes examples of students' actual responses, the scoring standards, and commentary that explains why the responses received the scores they did.
