It ’ s the love that surrounds us which could be in any form; the love of man for God or the love of man for self. Life would be meaningless without love. I really liked how the author included the teachings of Shams in the narrative; it is evident from the title that the book is about his forty rules; but the way it has been included in the narrative is a masterpiece of writing.

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of The Island of Missing Trees (a Reese’s Book Club Pick), incarnates Rumi’s timeless message of love The Forty Rules of Love unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi’s work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams’s lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi’s story mirrors her own and that Zahara—like Shams—has come to set her free.

Shortlisted for the 2019 Booker Prize Named a Best Book of the Year by Bookpage, NPR, Washington Post, and The Economist A moving novel on the power of friendship in our darkest times, from internationally renowned writer and speaker Elif Shafak. In the pulsating moments after she has been murdered and left in a dumpster outside Istanbul, Tequila Leila enters a state of heightened awareness. Her heart has stopped beating but her brain is still active-for 10 minutes 38 seconds. While the Turkish sun rises and her friends sleep soundly nearby, she remembers her life-and the lives of others, outcasts like her. Tequila Leila's memories bring us back to her childhood in the provinces, a highly oppressive milieu with religion and traditions, shaped by a polygamous family with two mothers and an increasingly authoritarian father. Escaping to Istanbul, Leila makes her way into the sordid industry of sex trafficking, finding a home in the city’s historic Street of Brothels. This is a dark, violent world, but Leila is tough and open to beauty, light, and the essential bonds of friendship. In Tequila Leila's death, the secrets and wonders of modern Istanbul come to life, painted vividly by the captivating tales of how Leila came to know and be loved by her friends. As her epic journey to the afterlife comes to an end, it is her chosen family who brings her story to a buoyant and breathtaking conclusion.

A “ vivid and entertaining ” (Chicago Tribune) tale about the tangled history of two families, from the author of The Island of Missing Trees (a Reese’s Book Club Pick) "Zesty, imaginative . . . a Turkish version of Amy Tan’s The Joy Luck Club." —USA Today As an Armenian American living in San Francisco, Armanouch feels like part of her identity is missing and that she must make a journey back to the past, to Turkey, in order to start living her life. Asya is a nineteen-year-old woman living in an extended all-female household in Istanbul who loves Jonny Cash and the French existentialists. The Bastard of Istanbul tells the story of their two families--and a secret connection linking them to a violent event in the history of their homeland. Filled with humor and understanding, this exuberant, dramatic novel is about memory and forgetting, about the need to examine the past and the desire to erase it, and about Turkey itself.

AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of Eat Pray Love and The Signature of All Things, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." -PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), City of Girls explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and non-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, City of Girls is a love story like no other.

A colorful, magical tale set during the height of the Ottoman Empire, from the acclaimed author of The Island of Missing Trees (a Reese’s Book Club Pick) Chosen for Camilla, Duchess of Cornwall ’ s “ Reading Room ” Book Club In this novel, Turkey ’ s preeminent female writer spins an epic tale spanning nearly a century in the life of the Ottoman Empire. In 1540, twelve-year-old Jahan arrives in Istanbul. As an animal tamer in the sultan ’ s menagerie, he looks after the exceptionally smart elephant Chota and befriends (and falls for) the sultan ’ s beautiful daughter, Princess Mihrimah. A palace education leads Jahan to Mimar Sinan, the empire ’ s chief architect, who takes Jahan under his wing as they construct (with Chota ’ s help) some of the most magnificent buildings in history. Yet even as they build Sinan ’ s triumphant masterpieces—the incredible Suleymaniye and Selimiye mosques—dangerous undercurrents begin to emerge, with jealousy erupting among Sinan ’ s four apprentices. A memorable story of artistic freedom, creativity, and the clash between science and fundamentalism, Shafak ’ s intricate novel brims with vibrant characters, intriguing adventure, and the lavish backdrop of the Ottoman court, where love and loyalty are no match for raw power.

A REESE’S BOOK CLUB PICK "A wise novel of love and grief, roots and branches, displacement and home, faith and belief. Balm for our bruised times." -David Mitchell, author of Utopia Avenue A rich, magical new novel on belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of 10 Minutes 38 Seconds in This Strange World. Two teenagers, a Greek Cypriot and a Turkish Cypriot, meet at a taverna on the island they both call home. In the taverna, hidden beneath garlands of garlic, chilli peppers and creeping honeysuckle, Kostas and Defne grow in their forbidden love for each other. A fig tree stretches through a cavity in the roof, and this tree bears witness to their hushed, happy meetings and eventually, to their silent, surreptitious departures. The tree is there when war breaks out, when the capital is reduced to ashes and rubble, and when the teenagers vanish. Decades later, Kostas returns. He is a botanist looking for native species, but really, he's searching for lost love. Years later a Ficus carica grows in the back garden of a house in London where Ada Kazantzakis lives. This tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, The Island of Missing Trees is Elif Shafak's best work yet.

'My mother died twice. I promised myself I would not let her story be forgotten' Pembe and Adem Toprak leave Turkey for London. There they make new lives for their family. Yet the traditions and beliefs of their home come with them - carried in the blood of their children, Iskender and Esma. Trapped by past mistakes, the Toprak children find their lives torn apart and transformed by a brutal and chilling crime. Set in Turkey and London in the 1970s, Honour explores pain and loss, loyalty and betrayal, the clash of tradition and modernity, as well as the love and heartbreak that can tear any family apart.
