Connect students to the stories of history. Connect students to the experience of history. Connect students to success in history. At McGraw-Hill, we have spent the past few years deepening our understanding of the student and instructor experience. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we've identified areas in need of improvement to provide an opportunity for greater learning and teaching experiences. Experience History is a direct result of this. Experience History is also a

Edition help students prepare for class discussions and course work while enjoying increased course success. Experience History emphasizes that history is not just a collection of proven facts, but is "created" from the detective work of historians examining evidence from the past. Providing the interactive environment that only an integrated solution can provide, Experience History gives students the opportunity to examine primary sources and explore specific periods and events. This leads to greater understanding as well as the building and practicing of

Edition critical thinking skills. As students uniquely experience American History, Experience History propels students to greater understanding while achieving greater course success. Give students an experience. Improve course participation and performance. Experience History, and experience success.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S.

Read PDF America A Narrative History 9th

History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
