Basic American Grammar and Usage: An ESL/EFL Handbook ...

Many students of English as a second language are daunted by the complexities of English grammar and its terminology. This user-friendly book was written especially for them. The emphasis here is on practical use of written and spoken American-style English, rather than on theory. The first of the book's 15 chapters explains different kinds of sentences - affirmative, negative, and ...

Buy Basic American Grammar and Usage: An ESL/EFL Handbook ...

Talking about the past is simple in American English grammar. Americans typically stick to the simple past tense to describe recent, completed actions. American English: He ate his lunch. American English: I went to the store. However, British speakers sometimes use the present perfect tense instead of the simple past in these cases. The present perfect is constructed from the auxiliary verb “ to have ” followed by the past participle of the main verb.
