Twelve-year-old Theodore “Teddy” Roosevelt Fitzroy has murder on his hands and trouble on his tail. He believes that Henry, the hippopotamus at the brand-new FunJungle, has been murdered. The zoo’s top brass claim the hippo went belly up the natural way, but Teddy and his feisty friend Summer McCracken have other ideas. Could the culprit be FunJungle’s animal-hating head of operations? Or is it FunJungle’s owner—Summer’s dad—a man who is much more concerned about money than animal welfare? The deeper Teddy and Summer dig, the more danger they’re in—because when it comes to hippo homicide, the truth can’t be caged!

superhot boy whose digits I forgot to get. First time getting pregnant. Surprised you with that one, didn't I? Surprised me, too. I'd planned to spend senior year with my bestie-slash-wifey, Devi Abrams, graduating at the top of my class and getting into an Ivy League college. Instead, Mom and I are moving in with my battle-ax of a grandmother and I'm about to start a new school and a whole new life. Know what's more fun than being the new girl for your senior year? Being the pregnant new girl. It isn't awesome. There is one upside, though—a boy named Leaf Leon. He's cute, an amazing cook and he's flirting me up, hard-core. Too bad I'm knocked up with a stranger's baby. I should probably mention that to him at some point. But how? It seems I've got a lot more firsts to go.

## Access Free Belly Up

Belly Up is a story collection that contains ghosts, mediums, a lover obsessed with the sound of harps tuning, teenage girls who believe they are actually plants, gulag prisoners who outsmart a terrible warden, and carnivorous churches. Throughout these grotesque and tender stories, characters question the bodies they've been given and what their bodies require to be sustained.

For readers of the New York Times bestselling Gossip Girl and A-List series, here is a smart and highly commercial first novel about four best friends who, after graduating high school, decide to postpone the standard college route to pursue their creative dreams. Harper Waddle, Sophie Bushell, and Kate Foster are

## Access Free Belly Up

about to commit the ultimate suburban sin--bailing on college to each pursue their dreams: write the next Great American Novel, make it as a Hollywood actress, and backpack around the world. Middlebury-bound Becca Winsberg is convinced her friends have gone insane...until they remind her she just might have a dream of her own. So what if their lives are bass ackwards and belly up? They'll always have each other. Harper is going to be the next Jane Austen. Or Sylvia Plath. Or Plum Sykes. Figuring out which should be easy. It's living with the lie she told her three best friends that's going to be hard. Kate doesn't know exactly what she wants. But whatever it is, she won't find it at Harvard. Maybe the answer is in Paris, or Athens? or anywhere Kate can be someone

## Access Free Belly Up

besides the girl with perfect grades, perfect hair, and the perfect boyfriend. Sophie is a star. She's already got the looks, the talent, and a list of demands for her dressing room. Now that she's wrangled a furnished guesthouse in Beverly Hills, it's only a matter of time before she's discovered. Unless she isn't. Becca is dysfunctional. At least, her family is. Which is why she can't wait to flee the drama and get to college. But Becca's friends know she needs more than a spot on the Middlebury ski team and a cozy dorm room. They know she needs to fall in love. Dreams are complicated. They almost never turn out like you imagine—they almost always change. Sometimes, they change you.

## Access Free Belly Up

In this highly original collection of interconnected short stories, the Guatemalan countryside is ever-present, a place of timeless peace yet also riven by sudden violence. The stories provide glimpses into the life of Don Henrik, a good man struck time and again by misfortune, as he confronts the crude realities of farming life. Over the course of these episodes we meet merciless entrepreneurs, hitmen, drug dealers and fallen angels, all wanting their piece of the pie. Told with precision and a stark beauty, in a style that recalls Hemingway, Trout, *Belly Up* is a unique ensemble of beguiling, disturbing stories set in the heart of the rural landscape in a country where violence is never far from the surface. Finalist for the Gabriel García Márquez Short Story Prize

Join FunJungle's resident zoo sleuth, Teddy Fitzroy, as he solves mysteries and strives to protect the animals at the zoo with the first three funny and suspenseful novels of the bestselling FunJungle series from New York Times bestselling author Stuart Gibbs, now available together in one collectible boxed set! It all starts when the hippo goes belly up—and it's a wild ride from there. When Teddy Fitzroy moved into FunJungle, the nation's largest zoo, with his scientist parents, he expected things to be kind of quiet. There'd be the occasional elephant stampede and water balloon fight with the chimpanzees, of course, but when Henry the Hippo dies from not-so-natural causes, Teddy suspects foul play. And that was just the beginning. He begins to realize that the zoo is far
