The Gimi lifeworld is not in 'between culture and fantasy'. It is a life-made-culture, made so by the plenitude of the desires of the human embodied psyche whose primordial project is its own self-projection as fantasy into and as the world. In this sense culture is the fulfilment and affirmation of fantasy.

So you ' re thinking of creating a fantasy race for your novel? As discussed in part one of this series, you choose the physical aspects of your race—you know what the creature looks like 24/7 or what it turns into on certain nights. Besides knowing the breeds of your fantasy race, one important aspect you should consider when creating a fantasy culture is the beliefs of the people.

For the Love of Writing: Creating Cultures In Fantasy: Beliefs

The people in your world will be born into a culture, and that culture will shape their thoughts and beliefs and actions. But no thinking person can conform completely to every aspect of their culture, no matter how constrictive that culture is. You ' ll always have variability, and that ' s something to consider when developing fantasy cultures.
