This section of the manual deals with an “ideal”  
scenario, in terms of the assignment of external  
computer peripherals to operate the X-Plane  
B737-800 with the highest degree of realism. If you  
are missing some of these external peripherals, you  
may elect to choose a different configuration that  
better suits your hardware.

All those other manuals Perhaps you transferred to the 787 within your current airline, or maybe both the airline and the aircraft is new to you. Heck, it could even be that the type of operation is new if you go from short haul to long haul. Either way, there will probably be some operations manuals and route manuals to read too.
