Check out Barron's Regents Chemistry Power Pack two-volume set, which includes Let's Review Regents: Chemistry in addition to the Regents Exams and Answers: Chemistry book.

Self-Study Mode 15 Sample Question Papers covering important concepts from an examination perspective (1-5 solved and 6-15 for Self-Assessment with Hints given in the book itself) Exam Preparatory Material Latest Board Specimen Paper & Handwritten ISC Topper Answer sheets for effective exam preparation. Latest ISC Curriculum Strictly based on the updated & reduced CISCE curriculum for Academic Year 2020-2021 Latest Examination Tools On Tips Notes & Mind Maps facilitate quick revision of chapters and help in self study Latest Typologies of Questions All Typologies of Questions specified by CISCE taken from ISC prescribed books & previous 10 years' examination papers Tips to write better answers Examiner Comments & Answering Tips help in writing answers with better accuracy for exam success

Chemistry students and Homeschoolers! Go beyond just passing. Enhance your understanding of chemistry and get higher marks on homework, quizzes, tests and the regents exam with E3 Chemistry Guided Study Book 2018. With E3 Chemistry Guided Study Book, students will get clean, clear, engaging, exciting, and easy-to-understand high school chemistry concepts with emphasis on New York State Regents Chemistry, the Physical Setting. Easy to read format to help students easily remember key and must-know chemistry materials. . Several example problems with guided step-by-step solutions to study and follow. Practice multiple choice and short answer questions along side each concept to immediately test student understanding of the concept. 12 topics of Regents question sets and 2 most recent Regents exams to practice and prep for any Regents Exam. This is the Home Edition of the book. Also available in School Edition (ISBN: 978-1979088374). The Home Edition contains answer key to all questions in the book. Teachers who want to recommend our Guided Study Book to their students should recommend the Home Edition. Students and and parents whose school is not using the Guided Study Book as instructional material, as well as homeschoolers, should also buy the Home edition. The School Edition does not have the answer key in the book. A separate answer key booklet is provided to teachers with a class order of the book. Whether you are using the school or Home Edition, our E3 Chemistry Guided Study Book makes a great supplemental instructional and test prep resource that can be used from the beginning to the end of the school year. PLEASE NOTE: Although reading contents in both the school and home editions are identical, there are slight differences in question numbers, choices and pages between the two editions. Students whose school is using the Guided Study Book as instructional material SHOULD NOT buy the Home Edition. Also available in paperback print.

The updated edition of Barron's SAT Subject Test: Chemistry includes: A full-length diagnostic test with explained answers Four practice tests that reflect the actual SAT Subject Test Chemistry All questions answered and explained Detailed reviews covering all test topics Appendixes, which include the Periodic Table; important equation, constant, and data tables; and a glossary of chemistry terms Both teachers and test-taking students have praised earlier editions of this manual for its wealth of well-organized detail. Subject reviewed include the basics—matter, energy, scientific method, and measurements; atomic structure and the periodic table; bonding; chemical formulas; gases and laws; stoichiometry; liquids, solids, and phase changes; chemical reactions and thermochemistry; chemical reactions; chemical equilibrium; acids, bases, and salts; oxidation-reduction; carbon and organic chemistry; and the laboratory. ONLINE PRACTICE TESTS: Students who purchase this book or package will also get access to two additional full-length online SAT Chemistry subject tests with all questions answered and explained.
