Nightshade High freshman Jessica Walsh's hope of finding normalcy in high school is crushed when fellow students develop zombie-like crushes on a new boy, and she learns that she is a Virago, a woman warrior who fights when her city is in trouble. Original. 75,000 first printing.

Martin Heidegger's sustained reflection on Greek thought has been increasingly

Read Free Dead Is A Battlefield 6 Marlene Perez

recognized as a decisive feature of his own philosophical development. At the same time, this important philosophical meeting has generated considerable controversy and disagreement concerning the radical originality of Heidegger's view of the Greeks and their place in his groundbreaking thinking. In *Heidegger and the Greeks*, an international group of distinguished philosophers sheds light on the issues raised by Heidegger's encounter and engagement with the Greeks. The careful and nuanced essays brought together here shed light on how core philosophical concepts such as phenomenology, existentialism, hermeneutics, and ethics are understood today. For readers at all levels, this volume is an invitation to continue the important dialogue with Greek thinking that was started and stimulated by Heidegger. Contributors are Claudia Baracchi, Walter A. Brogan, Gnter Figal, Gregory Fried, Francisco J. Gonzalez, Drew A. Hyland, John Panteleimon Manoussakis, William J. Richardson, John Sallis, Dennis J. Schmidt, and Peter Warnek.

A landmark event: the complete Hebrew Bible in the award-winning translation that delivers the stunning literary power of the original. A masterpiece of deep learning and fine sensibility, Robert Alter's translation of the Hebrew Bible, now complete, reanimates

Read Free Dead Is A Battlefield 6 Marlene Perez

one of the formative works of our culture. Capturing its brilliantly compact poetry and finely wrought, purposeful prose, Alter renews the Old Testament as a source of literary power and spiritual inspiration. From the family frictions of Genesis and King David's flawed humanity to the serene wisdom of Psalms and Job's incendiary questioning of God's ways, these magnificent works of world literature resonate with a startling immediacy. Featuring Alter's generous commentary, which quietly alerts readers to the literary and historical dimensions of the text, this is the definitive edition of the Hebrew Bible.

Life and Death: Social Perspectives on Biblical Bodies explores some of the social, material, and ideological dynamics shaping life and death in both the Hebrew Bible and ancient Israel and Judah. Analysing topics ranging from the bodily realities of gestation, subsistence, and death, and embodied performances of gender, power, and status, to the imagined realities of post-mortem and divine existence, the essays in this volume offer exciting new trajectories in our understanding of the ways in which embodiment played out in the societies in which the texts of the Hebrew Bible emerged.

This volume sheds new light on the experience of ancient Greek warfare by identifying and examining three fundamental transitions

Read Free Dead Is A Battlefield 6 Marlene Perez

undergone by the classical Athenian hoplite as a result of his military service: his departure to war, his homecoming from war having survived, and his homecoming from war having died. As a conscript, a man regularly called upon by his city-state to serve in the battle lines and perform his citizen duty, the most common military experience of the hoplite was one of transition - he was departing to or returning from war on a regular basis, especially during extended periods of conflict. Scholarship has focused primarily on the experience of the hoplite after his return, with a special emphasis on his susceptibility to Post-Traumatic Stress Disorder (PTSD), but the moments of transition themselves have yet to be explored in detail. Taking each in turn, Owen Rees examines the transitions from two sides: from within the domestic environment as a member of an oikos, and from within the military environment as a member of the army. This analysis presents a new template for each and effectively maps the experience of the hoplite as he moves between his domestic and military duties. This allows us to reconstruct the effects of war more fully and to identify moments with the potential for a traumatic impact on the individual.

No Soap, No Pay, Diarrhea, Dysentery & Desertion is a groundbreaking study of life during the final sixteen months of the Confederacy. Civil War studies normally focus

Read Free Dead Is A Battlefield 6 Marlene Perez

on military battles, campaigns, generals, and politicians, with the common Confederate soldier and Southern civilians receiving only token mention. Using personal accounts from more than two hundred seventy soldiers, farmers, clerks, surgeons, sailors, chaplains, farm girls, nurses, nuns, merchants, teachers and wives, author Jeff Toalson has created a compilation that is remarkable in its simplicity and stunning in its scope. These soldiers and civilians wrote remarkable letters and kept astonishing diaries and journals. They discussed disease, slavery, inflation, religion, desertion, blockade running, and their never-ending hope that the war would be over before their loved ones died. As in all wars, these are the people who suffer the most-and glory is hard to find amid lice, dysentery, starvation, and death. A significant contribution to Civil War literature, *No Soap, No Pay, Diarrhea, Dysentery & Desertion* will open vistas to a side of the war with which most are only mildly familiar. The words of these individuals are an honest, powerful, and poetic portrayal of the war's effect on their lives.
