Agent Jake Nelson knows his latest mission to secure evidence will be dangerous and potentially put the entire group of hikers at risk. When the feisty Dr. Reynolds catches his eye, he's torn between the need to protect and the desire to possess. Contains some graphic sensual scenes - ice water not included.

On the run from her father and the marriage he wants to force on her, Monica Burns gets a job at Fantasy Ranch, an adult playground outside Reno, Nevada. Her hopes of staying in one place for longer than a few weeks are dashed when he tracks her there, but before she can run again she gets an offer she can't refuse from owner Harlan "Harley" Majors. Harley has personal issues of his own to deal with, and when Monica reveals her predicament he offers a marriage of convenience as the solution to both of their problems. But the union catapults them into a world of smuggling and deception that forces Monica to face the startling truth about her past. Warning: Some scenes in this book not suitable for minors. Betsy Majors, co-owner of the adult-themed Fantasy Ranch has her romantic sights set on Ian Mitchell, her brother's best friend and resident wedding officiant. She knows he wants her too, but he seems determined to hold her at arms length. When her ex-husband shows up and demands the money she stole from him, she'll need Ian's help to beat her ex at an old fashioned treasure hunt and protect a secret she's never told a soul. Tempted past the edge of reason by his best friend's sister, Ian is ready to leave the ranch to protect them both from a relationship that can't possibly work. But when Betsy's wild past catches up with her, he has no choice but to keep her safe, even if that means putting both his life and his heart on the line.

"A Moral Reconciliation Therapy Workbook. Moral Reconciliation Therapy is a systematic, cognitive-behavioral, step-by-step treatment strategy designed to enhance self-image, promote growth of a positive, productive identity, and facilitate the development of higher stages of moral reasoning. The term moral reconciliation was chosen for this system because the underlying goal was to change conscious decision-making to higher levels of moral reasoning"--Amazon.
