Environmental ethics : what really matters, what really ...

In Clinical Ethics, three clinical ethicists (a philosopher - Jonsen, a physician - Siegler, and a lawyer - Winslade) developed a method to work through difficult cases. The process can be thought of as the "ethics workup," similar to the "History and Physical" skills that all medical students use when learning how to "workup" a patient's primary complaints.

Bioethics Tools | UW Department of Bioethics & Humanities

Business Ethics: Decision-Making for Personal Integrity & Social Responsibility, 3e is designed to prepare the student to apply an ethical decision-making model, not only in the ethics course but throughout her or his business discipline. This model teaches students ethical skills, vocabulary, and tools to apply in everyday business decisions and throughout their business courses.
