Encouraging and defending black rage is the sine qua non of the civil rights movement and the Democratic Party. A black without rage, a happy black American, is less likely to be a liberal black American. If too many black Americans come to be at peace with their society one of our two great parties would have...

"From Rage to Responsibility" is the saga of one man's transformation from anger to acceptance and responsibility for his own actions, the ripples he "creates in others", and his belief in his own natural innate ability to achieve success. It is about recognizing one's own self-worth rather than succumbing to the negative binding seductive rhetoric of others. Self-value, self-wisdom or self ...
