How exactly are you supposed to get started with a bullet journal? First, begin by understanding the bullet journal index. As with trying anything new, beginning a new bullet journal can be intimidating. There are a ton of conflicting resources out there telling you what bullet journal elements you should use or shouldn't use.

## How to Start A Bullet Journal Index - Zen of Planning

You don't have to splurge on an arsenal of supplies. To get started with a bullet journal, you really only need two things: a dot grid notebook and a no-bleed pen. Look for a journal with a lay-flat spine, high-quality paper, a dot grid that's light and easy on the eyes, and numbered pages.
