Provides an overall introduction to the welding process, illustrating most of the common equipment and work techniques for both the home and shop welding.

The battle to save the kingdoms devastated by the Plague culminates in this exhilarating finale to the Whispers from Mirrowen trilogy. If there is anything more dangerous than the Plague itself, it is the journey that awaits those sworn to stop it. Tyrus, the renegade magic-wielder exiled from Kenatos, knows this firsthand. His original mission through the Scourgelands met a tragic end, leaving him as the sole survivor. Now all hope lies with his daughter, Phae, the uniquely gifted Dryad-born who can not only steal memories but also summon the power of the fireblood--and who alone has the power to breach the lost gate of Mirrowen. But first Phae and the comrades who have come to her aid must survive the most dangerous place on earth: the Scourgelands. The menacing woods prove every bit as treacherous as reputed. Murder, sacrifice, deception, and an epic battle with a beast ensue. Will Phae reach the land beyond the grasp of the deadly Plague...or will the quest through the Scourgelands end in tragedy once again?

Melanie Simms is an internationally published poet who employs the written language much like an artist wields a brush. As former Poet Laureate of Perry County, Pennsylvania and the Founder and President of the Association of Pennsylvania Poets Laureate, her talent is clearly heralded by many and matched only by the spirit of the muse, lighting a beacon for the soul, much the way a light house provides light for lost ships. *Waking the Muse* is the first in a series of recent poetic pursuits, with new works progressing quickly on the follow-up. Melanie Simms' poems transcend international boundaries; as her poetry regularly sees publication in countries such as Wales, Canada, England and Australia. You will enjoy her poems best with your heart open, allowing her muses to take you on a journey of wonder that you will not soon forget. Ms. Simms poems speak of diverse themes that reach the cosmic heart, unveiling a symphony of image. --- Bam Dev Sharma, Poet and Dept. Chief, Campus of International

Languages, Tribhavan University, Nepal
Melanie Simms' moving poems, the best, are well observed, telling, timely and truly speak from the heart. -- Robert Sward, University of California, Santa Cruz
This collection of poems speaks to the many emanations of the Muse as Melanie Simms has experienced them. As a whole, they capture the various lights and shadows that compromise the complex and always mysterious timbres of her life--the dissonant sorrows and the rainbow dream. Waking the Muse is an ode to the constant hope of the morning sun
Michael S. Glaser, Poet Laureate of Maryland; St. Mary's College
Deeply rooted in the Romantic tradition, her poetry is by turns humorous, mocking, serious and heart wrenching. - Gary Young, Poet and Printer, Greenhouse Press Review

This rhyming picture book is for children ages 10-12, grades fourth to sixth grade, but can be enjoyed by children of all ages. This is a rhyming picture book of CARNIVOROUS PLANTS, and may be used as a guessing game that aids in children's cognitive and phonetic development. Clues are given about CARNIVOROUS PLANTS using rhyming descriptions. After the clues are read, children are shown four pictures of different CARNIVOROUS PLANTS, including the correct plant. Some may guess correctly without seeing the four choices. Base on the simple rhyming clues that are given, children are asked to pick the plant that they believe is being described. Words to reinforce the clues are shaded in colors. Teachers and parents may add their own clues as well. This picture book allows teachers and parents to introduce their students and children to plants that their children may not be familiar with, and to discuss their differences. This rhyming picture book is also a great book to introduce reading to young children.
