**12 MLM Network Marketing Success Tips**

To succeed in network marketing, start by finding an established, profitable company with an appealing, effective product. Organize a meeting with a recruiter and ask any questions you have about the company, and look at income disclosure statements on the company website to see what the average seller makes.

**How to Succeed in Network Marketing (with Pictures) - wikiHow**

Network marketing, also known as multilevel marketing, is an increasingly popular way to generate both passive and active income. This is because network marketing is a very flexible and dynamic business. Not to be confused with pyramid schemes (in which profit is often made from fees paid by people recruited into the network), network marketing allows you to make money by selling a product/service yourself or when someone in your network sells a product or service.

**How to Network Market: 12 Steps (with Pictures) - wikiHow**

The first step is to choose what products you're going to sell and what network marketing company you're going to work with. I recommend not just choosing the first one that comes to mind, but doing some research to determine if you can sell the products online, how much commission you make, and to find any other restrictions that might limit your success.
