Icao Airport Planning Manual - HOME - [ads.baa.uk.com](http://ads.baa.uk.com)  
Existing programmes of ICAO did not provide airport authorities  
with guidance for the development of airport master plans in all  
their aspects, nor had it been intended that they should. The first  
manual entitled Manual on Airport Master Planning was written by  
three professional airport planners recruited exclusively for this  
purpose. An advisory group composed of representatives of the  
following organizations provided invaluable assistance in defining  
the structure of the manual and ...

The ICAO Doc 9184 Airport Planning Manual Part 2 – Land Use  
and Environmental Management (APM, Part 2) is focused on land  
use and environmental management on and around an airport. The  
purpose of APM, Part 2 is to provide effective practices at an  
airport to reduce the potential environmental effects caused by the  
airport and its operations. The scope of APM, Part 2 does include
