Philippa Palfrey's fantasy about her past is shattered when her adoptive family reveals the truth about her parents and their connection to a long-ago murder.

Adopted as a child into a privileged family, Philippa Palfrey fantasizes that she is the daughter of an aristocrat and a parlor maid. The terrifying truth about her parents and a long-ago murder is only the first in a series of shocking betrayals. Philippa quickly learns that those who delve into the secrets of the past must be on guard when long-buried horrors begin to stir. "As a crime novel," wrote the London Times, Innocent Blood is "the peak of the art." "Flawlessly crafted...profoundly, masterfully moving." Cosmopolitan concurred.

When a terrorist bomb devastates an exclusive junior school in Hollywood, killing the sons and daughters of many famous TV and movie actors and producers, all hell breaks loose. Among the many dead is Danny Bell, the son of successful comedy writer Frank Bell. Responsibility for the blast is claimed by a group who say that they want to put the decadent Western media out of business for good.

The internationally acclaimed author of the L.A. Quartet and The Underworld USA Trilogy, James Ellroy, presents another literary noir masterpiece of historical paranoia. Los Angeles, 1958. Killings, beatings, bribes, shakedowns--it's standard procedure for Lieutenant Dave Klein, LAPD. He's a slumlord, a bagman, an enforcer--a power in his own small corner of hell. Then the Feds announce a full-out investigation into local police corruption, and everything goes haywire. Klein's been hung out as bait, "a bad cop to draw the heat," and the heat's coming from all sides: from local politicians, from LAPD brass, from racketeers and drug kingpins--all of them hell-bent on keeping their own secrets hidden. For Klein, "forty-two and going on dead," it's dues time. Klein tells his own story--his voice clipped, sharp, often as brutal as the events he's describing--taking us with him on a journey through a world shaped by monstrous ambition, avarice, and perversion. It's a world he created, but now he'll do anything to get out of it alive. Fierce, riveting, and honed to a razor edge, White Jazz is crime fiction at its most shattering.

With all the qualities that P. D. James's readers have come to expect: a masterly psychological and emotional richness of characterization, a vivid evocation of place and a credible and exciting mystery. When the notorious investigative journalist, Rhoda Gradwyn, books into Mr. Chandler-Powell's private clinic in Dorset for the removal of a disfiguring, long-standing facial scar, she has every prospect of a successful operation by a distinguished surgeon, a week's peaceful convalescence in one of Dorset's most beautiful manor houses and the beginning of a new life. She will never leave Cheverell Manor alive. When Adam Dalgliesh and his team are called in to investigate the murder -- and a second death occurs -- even more complicated problems than the question of innocence or guilt arise.

Invited to protect an actress within the rose red walls of a fairy-tale castle, Detective Cordelia Gray finds the stage is set for death. Actress Clarissa Lisle has always been famous for her ravishing beauty—and her unscrupulous manipulations. Now on the death-shrouded island of Courcy, her schemes win her a starring role in a nightmare in which she can trust no one—not her deceived husband; her dangerously insecure stepson; her ominously genial host; her dependent, desperate cousin; or her cruelly amusing ex-lover. Soon Detective Cordelia gray finds that nothing is as it seems on Courcy—especially after the curtain goes down. Here she must delve into ancient secrets and guilt-stained pasts—and risk her life to stop a brilliantly cunning murderer who has set the stage for her death.

Adam Dalgliesh takes on a baffling murder in the rarefied world of London book publishing in this masterful mystery from one of our finest novelists. Commander Adam Dalgliesh and his team are confronted with a puzzle of impenetrable complexity. A murder has taken place in the offices of the Peverell Press, a venerable London publishing house located in a dramatic mock-Venetian palace on the Thames. The victim is Gerard Etienne, the brilliant but ruthless new managing director, who had vowed to restore the firm's fortunes. Etienne was clearly a man with enemies—a discarded mistress, a rejected and humiliated author, and rebellious colleagues, one of who apparently killed herself a short time earlier. Yet Etienne's death, which occurred under bizarre circumstances, is for Dalgliesh only the beginning of the mystery, as he desperately pursues the search for a killer prepared to strike and strike again.

On the day she turned seventy-seven, internationally acclaimed mystery writer P. D. James embarked on an endeavor unlike any other in her distinguished career: she decided to write a personal memoir in the form of a diary. Over the course of a year she set down not only the events and impressions of her extraordinarily active life, but also the memories, joys, discoveries, and crises of a lifetime. This enchantingly original volume is the result. Time to Be in Earnest offers an intimate portrait of one of most accomplished women of our time. Here are vivid, revealing accounts of her school days in Cambridge in the 1920s and '30s, her happy marriage and the tragedy of her husband's mental illness, and the thrill of publishing her first novel, Cover Her Face, in 1962. As she recounts the decades of her exceptional life, James holds forth with wit and candor on such diverse subjects as the evolution of the detective novel, her deep love of the English countryside, her views of author tours and television adaptations, and her life-long obsession with Jane Austen. Wise and frank, engaging and graceful, this "fragment of autobiography" will delight and surprise P. D. James's admirers the world over.

An Unsuitable Job for a Woman introduces bestselling mystery author P.D. James's courageous but vulnerable young detective, Cordelia Gray, in a “top-rated puzzle of peril that holds you all the way” (The New York Times). Handsome Cambridge dropout Mark Callender died hanging by the neck with a faint trace of lipstick on his mouth. When the official verdict is suicide, his wealthy father hires fledgling private investigator Cordelia Gray to find out what led him to self-destruction. What she discovers instead is a twisting trail of secrets and sins, and the strong scent of murder.
