~~Korg X5D Owner's Manual~~

The X5D is an entry level keyboard from

Access Free Korg X5d Service Manual

Korg. It basically offers Korg's acclaimed Ai2 sound engine (from the 01/w series) packed into a small, lightweight, affordable package! Being an entry-level keyboard, the usual luxuries such as aftertouch and an internal power supply have been omitted, and it lacks an arpeggiator or a sequencer, however it more than makes up for this in sound.
