Following the terrorist attack in New York on September 11, Deepak Chopra addresses the feelings it caused in all of us: fear, the meaning of death and how to find your "higher self" under catastrophic circumstances. The sort of questions he asks are: is there a deep wound at the heart of humanity? Will revenge salve this wound or aggravate it? He also comments "if you and I are having a single thought of violence or hatred against anyone in the world at this moment, we are contributing to the wounding of the world." Although this book has grown out of a tragedy that has affected us all, its spiritual message is also of general application in situations where one might be feeling extremely vulnerable, frighteningly angry, deeply sad and trying to make sense of a terrible situation.

Love Virtually ends as Leo leaves Austria for America. He and Emmi have still not met, but the intensity of their correspondence has been threatening Emmi's marriage. But shouldn't these unconventional lovers be given another chance? When Leo returns from Boston, he gradually resumes his email contact with Emmi. But he has plans to settle down with Pamela, the woman he met in America. Emmi and Leo meet at last in person, in an attempt to draw a line under their relationship, but they cannot stop writing to each other. When Pamela learns of Leo's secret and unusual liaison, she returns to the USA, and Emmi's marriage to Bernhard is tested to its limits. Readers of Love Virtually begged to know more: could Emmi and Leo ever get together? Once again Daniel Glattauer takes us up and down through stormy waters, and delivers a thrilling sequel.
