Gav Thorpe really knocked it out of the park with this one! Malekith was a terrific adventure, full of exploration and ambition, betrayal and violence. So many twists and turns it'll make your head spin! The pacing was excellent, the characters were well rounded and believable, and each grew as they went through their respective arcs.

This is a great book written in great scale approaching "The Silmarillion" of JRR Tolkien , but intertwined in history shades and patterns from a variety of earlier and later works while adding something of himself, something that makes it original and unprecedented. This thing is the masterful style of Gav Thorpe."

Although Gav Thorpe's new novel is entitled, "Malekith," its scope is greater than the story of one man. Instead, it delineates the development of the Warhammer world as we know it and recounts the rise and fall of Malekith. In a sense, the story of Malekith is a tragedy rather than an epic.

Malekith by Gav Thorpe was my first foray into the Warhammer Universe, and in hindsight, I have to say it took me too long to sample this wonderful place. Sure, some will argue that the world of Malekith is yet another retreaded version of LOTR with a bit of Moorcock mixed in, but to me, even while such criticism holds a small sliver of truth, I honestly could care less because this stuff is good.

Gav Thorpe really builds on the character of Alith before he becomes the Shadow King and as with Malekith it means the reader forms a really close bond and can sympathize when things go wrong, again these people are all clothed in shades of grey although the Dark Elves who become the focus of Alith's rage do lean towards the darker end of the spectrum as do many of the Shadow Kings warriors, free as they are to kill at will and carry out evil acts.

Lord of the Dark Angels. Protector of Caliban. Chaos Heretic. Destroyer of Caliban. Sorcerer of the Abyss. Arch-traitor. Dark Oracle. First of the Fallen. Can one man be all of these things? Kept alive and imprisoned for ten thousand years, Luther is the curse and the salvation of the Dark Angels made manifest. None are so close to the heart and history of the Chapter as the man that embodies all that was great about the First Legion and all that is shameful about the Dark Angels. In his story is writ the tale of the Horus Heresy in a single, long life. Glory, honour, pride, shame and betrayal weave a tapestry of truth and lies that the Supreme Grand Masters of the Dark Angels have sought to understand and unravel across ten bloody millennia. Luther claims repentance for his past deeds, but was it his sins that condemned the Chapter to its secretive fate, or should warnings from history have been more closely heeded?
