With a user-friendly design allowing you to easily photocopy handouts or customize them using the accompanying CD-ROM, this therapeutic tool will save you precious time and maximize the full potential of the material.

Coloring the circular designs known as mandalas is a creative activity that brings relaxation, healing, and self-understanding. This sequel to Fincher's first such coloring book, focuses on the crystallization stage, associated with the completion of a cycle of growth.

Explore the ancient teachings of the mandala through the process of Zentangle. Mandalas connect the spirit, offering symbols found in nature while helping to discover the inner self and acquire a sense of wonder. Create beautiful drawings that reflect your vision, and discover the infinite possibilities that spring from peace and creativity.

The traditional designs known as mandalas were recognized by C. G. Jung as symbolic representations of the Self. This book is a practical guide to mandala drawing for personal growth, stress reduction, and creative expression. Fincher introduces the history and ritual use of mandalas in cultures all over the world; offers guidance in choosing art materials, techniques, and colors for the creation of personal mandalas; and discusses the symbolism of shapes, colors, numbers, and motifs, such as birds and flowers, that may appear in mandalas. She also presents several illustrated case histories of people who successfully use her techniques.

Explores Jung's psychological concepts regarding the nature, function and importance of man's symbols as they appear on both the conscious and subconscious level

Viewed as the key to self-knowledge and inner peace in Eastern traditions, a mandala is a symbolic spiritual image which, when meditated on, can bring about profound transformation. Featuring imagery from a range of spiritual and religious traditions, as well as from the natural world, this wonderful book offers a superb collection of black and white mandala artworks for you to colour in, plus guided meditations for every image, and a further section of basic line templates for you to create your own mandala designs.

The twentieth anniversary edition of The Spiral Dance celebrates the pivotal role the book has had in bringing Goddess worship to the religious forefront. This bestselling classic is both an unparalleled reference on the practices and philosophies of Witchcraft and a guide to the life-affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride, develop their inner power, and integrate mind, body, and spirit. Starhawk's brilliant, comprehensive overview of the growth, suppression, and modern-day re-emergence of Wicca as a Goddess-worshipping religion has left an indelible mark on the feminist spiritual consciousness. In a new introduction, Starhawk reveals the ways in which Goddess religion and the practice of ritual have adapted and developed over the last twenty years, and she reflects on the ways in which these changes have influenced and enhanced her original ideas. In the face of an ever-changing world, this invaluable spiritual guidebook is more relevant than ever.
