underscore the safety warnings. The completely revised and updated Third Edition includes:

- Current materials on desktop publishing
- Alternative media such as videos, CD-ROMs, and on-line help
- The impact of new technology such as CD-ROMs and digital cameras on manual design and production
- New regulations for products sold overseas
- Impact of the Internet on manual design

Gone are the days when a manual might be a few pages of typewritten text. Thanks to the advances in computer technology, even tiny companies can produce slick, professional publications. *Writing and Designing Manuals, Third Edition* guides you through the messy, complex, frustrating, and fascinating business of producing
