beginner's book also provides a great introduction to reading and playing music, includes a fun pull-out Wall Chart to help with practice, and will have kids playing their first tunes in no time." --P. [4] of cover.

This is the ideal introduction to music for children and early learners of the recorder. The recorder is the first instrument that many children learn before they progress onto other instruments - brass, wind or even stringed. It is easy to make a sound and even simple pieces can sound impressive. This handy guide provides a range of traditional and modern music using standard notation, reflecting both the standard teaching pieces and some popular melodies. With a basic introduction to reading music, a simple how-to-play guide and step-by-step photos, children will have everything they need to start straightaway.

Learn the basics of recorder while playing the best patriotic melodies of America. New notes and important concepts such as rhythm, ties and dynamics are gradually introduced, and attractive illustrations make learning fun. With a unique and easy-to-use approach that unites the experience of patriotic music with that of learning a musical instrument, this book is perfect for anyone new to the recorder as well as those just looking for easy-to-play patriotic melodies.

(Music Sales America). This recorder course by John Pitts is written for 7-11 year olds no previous knowledge of music or recorders is necessary. It is carefully graded with clear explanations at every stage, encouraging children to develop musical skills as well as recorder techniques. The teacher's books include simple piano accompaniments, guitar chord symbols and performance suggestions for classroom percussion. The tune books provide extra solo and duet material to supplement the instruction in each book ideal for children who need more practice and for fast learners who
