## ~~Learning Ojibwe Comprehensive Learn To Speak~~

It is never too late to learn. The lessons on this site explain

Anishinaabe grammar because that is how many adults who already speak one language are able to start understanding and using another language. The vocabulary is primarily Ojibwe and Odawa, but speakers of Potawatomi use the same grammar and many of the words are the same.

Beginner - Ojibwe.net. Beginning lessons offer a place for new learners to start. They require no prior knowledge of the language, but as you move through them you will find opportunities to practice what you've learned. These lessons support immersion and master-apprentice programs by giving shape to some of the oral information you might be receiving.
