On the outside, twenty-eight-year-old Fiona Yu appears to be just another Hello Kitty--an educated, well-mannered Asian American woman. Secretly, she feels torn between the traditional Chinese values of her family and the social mores of being an American girl. To escape the burden of carrying her family's honor, Fiona decides to take her own virginity. In the process, she makes a surprising discovery that reunites her with a long-lost friend, Sean Killroy. Sean introduces her to a dark world of excitement, danger, cunning, and cruelty, pushing her to the limits of her own morality. But Fiona's father throws her new life into disarray when he dupes her into an overnight trip that results in a hasty

How far will she go to bury the Hello Kitty stereotype forever? Fiona's journey of self-discovery is biting and clever as she embraces her true nature and creates her own version of the American Dream, eliminating--without fear or remorse--anyone who stands in her way.

Nick's return and the intense feelings he stirs within her. Sent to prison for a murder he didn't commit, Nick Lombard comes home to the tiny town of Port Bliss to attend his mother's funeral, but he doesn't count on running into Clea. Seeing her reminds him of everything he's tried to forget, and everything he longs to remember. When Nick learns Clea is about to marry the man who sent Nick to prison, he knows he must stay and fight for the family he was forced to leave behind. Against all odds, Nick and Clea must find their way back to the summer they were young lovers on the beach in Port Bliss, realizing that together their love is strong, strong enough to survive anything, even the web of lies that separated them ten years ago.
