This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Now in its Ninth Edition, Check-in Check-Out remains the leading guide to managing profitable hotel operations. Extensively revised to reflect the industry's rapid change, it presents rich detail about best practices and future directions, while offering the widest coverage of any book in the field. Students gain an intuitive understanding based on the flow of the guest's experience: through reservation, arrival, registration, service purchasing, departure, billing, and recordkeeping. The entire rooms division is covered thoroughly, and linked to other hospitality functions, related industries, and the broader economy. Extensive new coverage includes: increased internationalization; green operations; new financing sources; boutique and urban collections; new reservations strategies; and much more. This edition has been streamlined to help students learn more in less time, and contains 150+ exhibits to promote visual learning.

"Business in Action, 3/E " is an introduction to business that provides readers with a wealth of the most current information available, allowing them to experience firsthand a variety of highly involving information that no other book on the market can match. Numerous cases and examples simplify the material, encourage active reading, and provide a life-long useful reference source. Topics include: the global economy, starting and organizing a small business, management issues, human resources and employee relations, marketing strategies, and financial information
