A sweet and savory collection of more than 100 foolproof recipes from the reigning "Queen of Baking" Mary Berry, who has made her way into American homes through ABC's primetime series, The Great Holiday Baking Show, and the PBS series, The Great British Baking Show. Baking with Mary Berry draws on Mary's more than 60 years in the kitchen, with tips and step-by-step instructions for bakers just starting out and full-color photographs of finished dishes throughout. The recipes follow Mary's prescription for dishes that are no fuss, practical, and foolproof--from breakfast goods to cookies, cakes, pastries, and pies, to special occasion desserts such as cheesecake and soufflés, to British favorites that will inspire. Whether you're tempted by Mary's Heavenly Chocolate Cake and Best-Ever Brownies, intrigued by her Mincemeat and Almond Tart or Magic Lemon Pudding, or inspired by her Rich Fruit Christmas Cake and Ultimate Chocolate Roulade, the straightforward yet special recipes in Baking with Mary Berry will prove, as one reviewer has said of her recipes, "if you can read, you can cook."

In the mood for something cute and sweet? Well, forget about grabbing a cupcake - cake pops are here to stay! There's nothing quite like cake on a stick - these mouthwatering morsels combine all the playfulness of a bite-sized snack with the high-impact flavour that comes when you roll together your favourite cakes and frostings. Add a stick to your cake truffles, coat in chocolate and then let your imagination run wild as you decorate the world's most adorable treats. Cake pops are irresistible and surprisingly easy to make, especially when you follow the step-by-step baking and decorating instructions included in this colourful book. Cake Pops will show you how fun it is to make an army of flower, balloon, duck and penguin pops as well as designs for every occasion with Christmas stockings, Halloween pumpkins and wedding cakes added into the mix. This is the perfect book if you want to have the party of a lifetime or just a snack on the way to the park.

"Ruth Charney gives teachers help on things that really matter. She wants children to learn how to care for themselves, their fellow students, their environment, and their work. Her book is loaded with practical wisdom. Using Charney's positive approach to classroom management will make the whole school day go better." - Nel Noddings, Professor Emeritus, Stanford University, and author of Caring This definitive work about classroom management will show teachers how to turn their vision of respectful, friendly, academically rigorous classrooms into reality. The new edition includes: More information on teaching middle-school students Additional strategies for helping children with challenging behavior Updated stories and examples from real classrooms. "Teaching Children to Care offers educators a practical guide to one of the most effective social and emotional learning programs I know of. The Responsive Classroom approach creates an ideal environment for learning—a pioneering program every teacher should know about." - Daniel Goleman, Author of Emotional Intelligence "I spent one whole summer reading Teaching Children to Care. It was like a rebirth for me. This book helped direct my professional development. After reading it, I had a path to follow. I now look forward to rereading this book each August to refresh and reinforce my ability to effectively manage a social curriculum in my classroom." - Gail Zimmerman, second-grade teacher, Jackson Mann Elementary School, Boston, MA
