SPECIAL DEAL!!! Buy the paperback version of the book NOW to receive the kindle version (\$2.99) for FREE! Richard Charles Nicholas Branson was born on July 18, 1950 in Surrey, England. Toiled during his school years and dropped out at the young age of 16. This turn of events actually led to the origin of Virgin Records. Began in the industry of music, Branson's initiatives and enterprises spread into many different industries, leading to Branson's status as a billionaire. His original Virgin Group currently has over 200 different companies, including a space touring company, Virgin Galactic. Branson is well-known for his adventurous spirit, such as flying in a hot air balloon across the Atlantic Ocean. This book examines some of Richard Branson's famous quotes and analyze the meaning and significance of each. Along with each quote is the real life story of how Richard Branson himself implements those same principles effectively in his life and business These quotes will focus on a variety of topics such as: Quote # 1 - On Pitching Your Business Quote # 2 - On Punctuality Quote # 4 _ On Being Decisive Quote # 5 - On Communication Quote # 6 - On Fear Quote # 7 - On Social Media Quote # 8 - On Missed Opportunities Quote # 9 - On Finding Opportunities Quote # 10 - On Being Organized Quote # 11 On Taking Action Quote #12 - On Treating Employees Quote # 13 - One Taking Risks If you are into entrepreneurship and is a Branson's fan, then you cannot miss out on this amazing book.

Throughout my life I have achieved many remarkable things. In Screw It, Let's Do It, I will share with you my ideas and the secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will draw on Gaia Capitalism to explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. In Screw It, Let's Do It I'll be looking forwards to the future. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and the new and exciting areas - such as launching Virgin Fuels - into which Virgin is currently moving. But I have also brought together all the important lessons, good advice and inspirational adages that have

Winner of the 2010 Non-Fiction National Book Award Patti Smith's evocative, honest and moving coming-of-age story of her extraordinary relationship with the artist Robert Mapplethorpe

This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box--an expression he despises--but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

Sir Richard Branson's amazing memoir is now updated to include the effect on the Virgin Group of 11 September, his views on the war in Iraq, the rise of Virgin Blue and the flotation of Virgin Mobile. Discover how Virgin is moving into the US domestic flight market and why he set up the charitable body "Virgin Unite". As ever, his thirst for challenge is unquenched. Sir Richard reveals the thrills of the world record attempt with the Virgin Atlantic Global Flyer and taking Virgin to the final frontier as Virgin Galactic are poised for a new era of commercial space travel. Compelling. Brilliant. Revealing. Funny. Inspirational. Extraordinary. Revealing Sir Richard's unique story, his personal philosophy on life, the Virgin brand and business Losing My Virginity is an autobiography without equal.

The series focuses on the people who inspire children today. This book looks at the background, life and achievements of Richard Brandon, his impact on popular culture as well as detailing the everyday facets of his job and how he has gained such success.

Richard Branson, who has been called "England's most outrageous billionaire," is also one of the world's most successful business leaders. Since the age of 16, when he founded Student magazine, Branson has been creating companies and finding innovative ways to grow them into the prodigious conglomerate known as the Virgin Group. At the age of 20, Branson founded a mail-order record retailer. Two years later he built a recording studio where the first artist signed to his Virgin label, Mike Oldfield, recorded the haunting soundtrack to The Exorcist. Decades later, industries as varied as entertainment (Virgin Music), retail (Virgin Megastores), transportation (Virgin Airlines), and telecommunications (Virgin Mobile) all bear Branson's business moniker. For the first time, the most thought-provoking, revealing, and inspiring quotes from Branson are compiled in a single book. Virgin Rebel: Richard Branson in His Own Words is a comprehensive guidebook to the inner workings of the Virgin Group chairman and founder. Hundreds of Branson's best quotes, comprising thoughts on business, music, entrepreneurship, politics, exploration, and life lessons, provide an intimate and direct look into the mind of this modern business icon.

Details the life and career of the trend-setting, thrill-seeking businessman famous for founding the Virgin Group.
