#1 New York Times bestselling author John Grisham ' s newest legal thriller takes you inside a law firm that ' s on shaky ground. “ [A] buoyant, mischievous thriller . . . Grisham writes in such an inventive spirit. . . . A treat. ” —Janet Maslin, *The New York Times* Mark, Todd, and Zola came to law school to change the world, to make it a better place. But now, as third-year students, these close friends realize they have been duped. They all borrowed

heavily to attend a third-tier for-profit law school so mediocre that its graduates rarely pass the bar exam, let alone get good jobs. And when they learn that their school is one of a chain owned by a shady New York hedge-fund operator who also happens to own a bank specializing in student loans, the three know they have been caught up in The Great Law School Scam. But maybe there ' s a way out. Maybe there ' s a way to escape their crushing debt, expose the bank and the scam, and make a few bucks in the process. But to do so, they would first have to quit school. And leaving law school a few short months before graduation would be completely crazy, right? Well, yes and no . . . Pull up a stool, grab a cold one, and get ready to spend some time at The Rooster Bar. " Satisfying . . . Grisham [is] at his best when he brings his sardonic sense of humor to the sometimes questionable ethics of law and banking. " —USA Today " [A] smartly told tale . . . gratifying and all-too-real. " —The Washington Post

A death in the family brings gentleman sleuth Charles Lenox back to the country house where he grew up — just in time to confront an odd, unsettling crime in a nearby village.

For the first time in one volume, the three novels that introduced the Lincoln Lawyer, Mickey Haller, who learns that "There is no client as scary as an innocent man." The Lincoln Lawyer For Mickey Haller, the law is rarely about guilt or innocence, it's about negotiation and manipulation. When he gets hired by a Beverly Hills rich boy arrested for assault, Mickey sees a franchise case: a long, expensive trial with maximum billable hours-until it puts him face-to-face with pure evil and with a man who may truly be innocent. For a lawyer who has always gone for the easy score, getting justice means risking everything. The Brass Verdict When a former colleague is murdered, Mickey inherits his biggest case yet: defending a Hollywood producer accused of killing his wife and her lover. Haller scrambles to prepare for trial, and learns that the killer may be coming for him next. Enter LAPD Detective Harry Bosch, who will do whatever it takes to crack the case, including using Mickey as bait. As danger quickly mounts, these two loners realize that their only chance is to work together. The Reversal Mickey is recruited to prosecute the high-profile retrial of Jason Jessup, a convicted child killer, exonerated after twenty-four years by new DNA evidence. Convinced Jessup is guilty, Haller brings in Harry Bosch as his investigator. With their key witness missing, and the odds and evidence against them, Bosch and Haller must nail a sadistic killer before he kills again. Together, these three exhilarating, fiercely paced novels show that "Connelly is a master...once he has you on board, turning pages, you won't want to climb off" (Boston Globe).

"A Civil War odyssey in the tradition of Charles Frazier ' s Cold Mountain and Robert Olmstead ' s Coal Black Horse, Mosher ' s latest, about a Vermont teenager ' s harrowing journey south to find his missing-in-action brother, is old-fashioned in the best sense of the word....The story of Morgan ' s rite-of-passage through an American arcadia despoiled by war and slavery is an engrossing tale with mass appeal." — Publisher's Weekly Morgan Kinneson is both hunter and hunted. The sharp-shooting 17-year-old from Kingdom County, Vermont, is determined to track down his brother Pilgrim, a doctor who has gone missing from the Union Army. But first Morgan must elude a group of murderous escaped convicts in pursuit of a mysterious stone that has fallen into his possession. It ' s 1864, and the country is in the grip of the bloodiest war in American history. Meanwhile, the Kinneson family has been quietly conducting passengers on the Underground Railroad from Vermont to the Canadian border. One snowy afternoon Morgan leaves an elderly fugitive named Jesse Moses in a mountainside cabin for a few hours so that he can track a moose to feed his family. In his absence, Jesse is murdered, and thus begins Morgan ' s unforgettable trek south through an apocalyptic landscape of war and mayhem. Along the way, Morgan encounters a fantastical array of

characters, including a weeping elephant, a pacifist gunsmith, a woman who lives in a tree, a blind cobbler, and a beautiful and intriguing slave girl named Slidell who is the key to unlocking the mystery of the secret stone. At the same time, he wrestles with the choices that will ultimately define him – how to reconcile the laws of nature with religious faith, how to temper justice with mercy. Magical and wonderfully strange, *Walking to Gatlinburg* is both a thriller of the highest order and a heartbreaking odyssey into the heart of American darkness.

Lacy Stoltz is an investigator for the Florida Board on Judicial Conduct. She is a lawyer, not a cop, and it is her job to respond to complaints dealing with judicial misconduct. After nine years with the Board, she knows that most problems are caused by incompetence, not corruption. But a corruption case eventually crosses her desk. A previously disbarred lawyer is back in business with a new identity. He now goes by the name Greg Myers, and he claims to know of a Florida judge who has stolen more money than all other crooked judges combined. And not just crooked judges in Florida. All judges, from all states, and throughout U.S. history. What the source of the ill-gotten gains? It seems the judge was secretly involved with the construction of a large casino on Native American land. The Coast Mafia financed the casino and is now helping itself to a sizable skim of each month's cash. The judge is getting a cut and looking the other way. It's a sweet deal: Everyone is making money. But now Greg wants to put a stop to it. His only client is a person who knows the truth and wants to blow the whistle and collect millions under Florida law. Greg files a complaint with the Board on Judicial Conduct, and the case is assigned to Lacy Stoltz, who immediately suspects that this one could be dangerous. Dangerous is one thing. Deadly is something else.
