Rules of Prey was actually his second novel. He wrote it after his agent suggested, having sold his first, that he might be able to earn a living writing crime fiction. However, Sandford notes, “When I wrote Rules, it never really occurred to me that this one guy, Lucas Davenport, was going to be a second career for me.”

Rules of prey (Book, 2017) [WorldCat.org]

It's taken me awhile to get around to John Sandford's work, Rules of Prey being first published in 1987. No idea why it's taken me so long but I did. If the rest of the books are as good as this one I'm in for a real treat. Being a cop for Lucas Davenport is a hobby. His real wealth is generated by the computer games he writes.
