There are eighteen Mahapuranas, great Puranas, and the Siva Purana is one of them. Siva is a vivid retelling of the Siva Purana for today's reader. The book contains all the major legends of Siva, bringing them alive again for a new generation.

Blue God opens on the battlefield of Kurukshetra, where the Pandava warrior, Arjuna, suffers a crisis of courage. His charioteer, Krishna, expounds the eternal dharma for him. This exposition between two armies is the Bhagavad Gita, the Hindu's Bible. BLUE GOD cuts back to Krishna's birth, and back again to the battlefield, and so on, chapter by chapter, until both narratives flow together near the book's end.

Never before have Krishna's sacred Gita and his colorful personality and life been put together in the same book, certainly not in English by a modern novelist for a modern audience.

The Devi Bhagavatam is said to have been composed in Bengal in the sixth century CE, in twelve Parvas and 18,000 slokas. The text is only available in Bengali, with Hindi commentaries. It is replete with references to and legends from an obviously pre-Vedic religion of the Goddess. The Devi Bhagavatam is a Shakta Purana. It is for the Shakta what the Bhagavata Purana is for the Vaishnava: his or her most sacred book. The Shaktas worship Shakti, the Eternal Feminine, in all her forms. Devi is Kali and Durga; she is Saraswati, Mahalakshmi and Parvati; she is Sati, Sita and Radha. She is the Mother of the Universe; without her animating power, Shiva becomes shava, a corpse. This book is an abridged literary rendering of the Devi Bhagavatam. It retells all the major legends of the Goddess, as well as some other, less known tales.

The Mahabharata is the more recent of India's two great epics, and by far the longer. First composed by the Maharishi Vyasa in verse, it has come down the centuries in the timeless oral tradition of guru and shishya, profoundly influencing the history, culture, and art of not only the Indian subcontinent but most of south-east Asia. At 100,000 couplets, it is seven times as long as the Iliad and the Odyssey combined: far and away the greatest recorded epic known to man. The Mahabharata is the very Book of Life: in its variety, majesty and, also, in its violence and tragedy. It has been said that nothing exists that cannot be found within the pages of this awesome legend. The epic describes a great war of some 5000 years ago, and the events that led to it. The war on Kurukshetra sees ten million warriors slain, brings the dwapara yuga to an end, and ushers in a new and sinister age: this present kali yuga, modern times. At the heart of the Mahabharata nestles the Bhagavad Gita, the Song of God. Senayor ubhayor madhye, between two teeming armies, Krishna expounds the eternal dharma to his warrior of light, Arjuna. At one level, all the restless action of the Mahabharata is a quest for the Gita and its sacred stillness. After the carnage, it is the Gita that survives, immortal lotus floating upon the dark waters of desolation: the final secret! With its magnificent cast of characters, human, demonic, and divine, and its riveting narrative, the Mahabharata continues to enchant readers and scholars the world over. This new rendering brings the epic to the contemporary reader in sparkling modern prose. It brings alive all the excitement, magic, and grandeur of the original-for our times.

3,00,000 km. 5,200 events. 10 million volunteers. 814 million voters. 282 seats. The 2014 elections will be remembered for a campaign that captured the public imagination as never before. At its heart was Narendra Modi, 63, the feisty chief minister of Gujarat for thirteen years, bidding to be prime

Read Online Siva The Purana Retold Ramesh Menon

minister. By the end of the campaign, there was scarcely anyone who had not-on television, radio, social media or at one of his rallies-heard his message. He too seemed to have grown from a regional satrap to a leader with a national stature. Long before the results were out, the outcome seemed a foregone conclusion. Behind the ascent to prime minister, though, is a story of tough politics and hard strategy. In spite of his achievements, minorities are wary of his Hindu nationalist background, and bureaucrats and party colleagues are jittery about his reputation as an autocrat. Most of all, he has never fully been able to exorcize the ghosts of the riots that took place on his watch in Gujarat in 2002, leading to doubts among his critics about how India's social fabric will fare during his term. As he gets down to write a fresh chapter in the country's history, Modi Demystified: The Making of a Prime Minister takes a close-up look at his rollercoaster ride to power. In the process, senior journalist Ramesh Menon reveals a man of many dimensions who will lead this diverse nation.

Even after he has composed the awesome Mahabharata, the Maharishi Vyasa finds no peace. Narada Muni says to him, Ordinary men will be delighted by your work, but what about the Sages of heaven and earth? You have described the human life, its strife and its ends, but you have not yet described the Lord himself. You must turn your great gift to that task; only then will you find peace. Veda Vyasa composes the Bhagavata Purana, in eighteen thousand slokas and twelve kandas. He teaches it to his illumined son Suka, who narrates the Secret Purana to Yudhishtira's heir, King Parikshit, on the banks of the Ganga. The Bhagavata Purana is a living embodiment of the Lord Narayana and claims to bestow moksha merely by being heard. Just before Krishna, the Avatara, leaves the world, Uddhava says to him, leave us a tangible form, Lord, in which we can find you, touch you, and be near you. Krishna enters the Bhagavata Purana with all of his being. This book is a full literary rendering of the Bhagavata Purana, bringing all the wonder, wisdom and grace of the Book of God to the modern reader.

The great Indian epic rendered in modern prose India's most beloved and enduring legend, the Ramayana is widely acknowledged to be one of the world's great literary masterpieces. Still an integral part of India's cultural and religious expression, the Ramayana was originally composed by the Sanskrit poet Valmiki around 300 b.c. The epic of Prince Rama's betrayal, exile, and struggle to rescue his faithful wife, Sita, from the clutches of a demon and to reclaim his throne has profoundly affected the literature, art, and culture of South and Southeast Asia—an influence most likely unparalleled in the history of world literature, except, possibly, for the Bible. Throughout the centuries, countless versions of the epic have been produced in numerous formats and languages. But previous English versions have been either too short to capture the magnitude of the original; too secular in presenting what is, in effect, scripture; or dry, line-by-line translations. Now novelist Ramesh Menon has rendered the tale

in lyrical prose that conveys all the beauty and excitement of the original, while making this spiritual and literary classic accessible to a new generation of readers.

The Mahabharata is the more recent of India's two great epics, and by far the longer. First composed by the Maharishi Vyasa in verse, it has come down the centuries in the timeless oral tradition of guru and sishya, profoundly influencing the history, culture, and art of not only the Indian subcontinent but most of south-east Asia. At 100,000 couplets, it is seven times as long as the Iliad and the Odyssey combined: far and away the greatest recorded epic known to man. The Mahabharata is the very Book of Life: in its variety, majesty and, also, in its violence and tragedy. It has been said that nothing exists that cannot be found within the pages of this awesome legend. The epic describes a great war of some 5000 years ago, and the events that led to it. The war on Kurukshetra sees ten million warriors slain, brings the dwapara yuga to an end, and ushers in a new and sinister age: this present kali yuga, modern times. At the heart of the Mahabharata nestles the Bhagavad Gita, the Song of God. Senayor ubhayor madhye, between two teeming armies, Krishna expounds the eternal dharma to his warrior of light, Arjuna. At one level, all the restless action of the Mahabharata is a quest for the Gita and its sacred stillness. With its magnificent cast of characters, human, demonic, and divine, and its riveting narrative, the Mahabharata continues to enchant readers and scholars the world over. This new rendering brings the epic to the contemporary reader in sparkling modern prose. It brings alive all the excitement, magic, and grandeur of the original-for our times.

Volume One of this great epic follows Rama's life through his growing-up years and his exile in the forest to Sita's abduction and Hanuman's leap of faith. Modern scholars claim that the Ramayana was first composed around 300 BC. The epic is called the Adi Kavya, the world's first poem. Ramesh Menon's The Ramayana is a novelist's lush, imaginative rendering, rather than a scholar's translation.
