Inio Asano (Author of Solanin) - Goodreads

Solanin is beautiful. A lot of Manga these days are written about high school students and whimsical adventures, but this one hits home because it focuses on an average twenty-something. It's a powerful story about learning how to be happy and finding your place in the world. Overall, this book tells you that life hurts.

Inio Asano - Wikipedia

Solanin has a rating for Older Teens and I'd say that's probably about right for the subject, the themes and the manner in which they are handled in Inio Asano's plessant - perhaps even just a little too nice - manga story, but that's not to say that the book doesn't have attractions for a wider audience.
