Every kid fears the monsters in the closet -- but for Devon March, the monsters are all too real. Horrible things come slithering out across his floor, determined to drag him with them back down their Hellhole. But Devon is no ordinary young man. He can move objects with his mind, summon incredible strength, disappear at will -- and that's only what he has discovered he's capable of so far. Yet his powers -- and the demons in his closet -- remain for him unexplained mysteries. At fourteen, Devon is sent to live at Ravenscliff, a dark seaside mansion, where he learns the first part of the secret of his powers: he is a sorcerer of the Order of the Nightwing, a three-thousand-year-old tradition of mysticism and magic that fascinates Devon with its fabled history. But Devon's new family, the Muirs, forbids him from discovering any more about his heritage, inexplicably terrified of what that knowledge might bring.

Danger continues to lurk at Ravenscliff, as Devon March returns to face an ancient evil. "The terror begins on page one and never stops! This is my kind of book - filled with magic and dozens of frightening surprises." -R.L. Stine "A rich, riveting and sophisticated read. Readers will be hypnotized by its brew of New England Gothic, character driven suspense and childhood magic. I am hungrily waiting for the further adventures of Devon March." - Christopher Rice Five hundred years ago, Isobel the Apostate was burned at the stake after waging war upon her fellow sorcerers, the Order of the Nightwing. With her dying breath she vowed she would return one day, and conquer the

world. Now, Isobel has made good on her promise, and returns to modern day Ravenscliff, where the only person who can stand between her and world domination is Devon March. Young Devon's fight takes him from Ravenscliff to Tudor England and back again, matching wits and magic against an evil that has waited five centuries for revenge. There's no escaping the endless dangers that Devon faces, and it is only with the help of a strange collection of friends and allies that he has any hope of beating back the Demon Witch. "Seriously scary... Best described as Buffy meets teenage Goosebumps...Not for the squeamish!" -The Sunday Times London

Unaware of his sorcerer heritage and unable to explain his supernatural powers, fourteen-year-old Devon March is sent to live at Ravenscliff, where he must single-handedly fight off the evil forces of the Hellhole.

"Seriously scary . . . Best described as Buffy meets teenage Goosebumps . . . Not for the squeamish!" -The Sunday Times In a house haunted by the paranormal, only one boy stands in the way of the nightmares. Devon March has grown up knowing two things: the monsters in the closet are real, and he is stronger than they are. But at fourteen years old, he still doesn't know why. Now an orphan, Devon has been sent to live at Ravenscliff Manor with the foreboding Amanda Muir Crandall, her troubled nephew Alexander, and her feisty daughter Cecily. In the dark seaside mansion, plagued by ghosts, Devon learns the answers to at least some of his questions. Namely, his birthright as a sorcerer of the Order of the Nightwing, a three-thousand-year-old tradition of mysticism and magic, with roots that run deep in Ravenscliff. Living in the most mysterious place in a small town filled with colorful characters, Devon will have to quickly decide who he can trust, as Ravenscliff's worst nightmare is about to return—and Devon is the last line of defense. "A rich, riveting and sophisticated read. Readers will be hypnotized by its brew of New England Gothic, character driven suspense and childhood magic." -Christopher Rice, New York Times-bestselling author "The terror begins on page one and never stops! This is my kind of book—filled with magic and dozens of frightening surprises." -R.L. Stine, New York Times-bestselling author

The thrilling conclusion to the Ravenscliff series and "its brew of New England Gothic, character driven suspense and childhood magic" (Christopher Rice, New York Times-bestselling author). A returning threat roams the halls of Ravenscliff Manor—the mad sorceress Clarissa—but she is only one of many problems facing Devon March. His budding relationship with Cecily takes a hit when he discovers she might be his (gulp!) sister, while his pal Marcus is mysteriously linked with the savage, gorilla-like beast that turns up in Misery Point on nights of the full moon. The only way to solve these mysteries is to take another trip down the Staircase Into Time, with Devon emerging at the Ravenscliff of thirty years ago. A time when his guardian Amanda and the mysterious Rolfe are toddlers, and the Madman,

Jackson Muir, is very much alive. Praise for the Ravenscliff series: "Seriously scary . . . Best described as Buffy meets teenage Goosebumps . . . Not for the squeamish!" -The Sunday Times "The terror begins on page one and never stops! This is my kind of book-filled with magic and dozens of frightening surprises." -R.L. Stine, New York Times-bestselling author

The second book The Ravenscliff series finds fourteen-year-old Devon March living a life of peace with her friend Cecily until Morgana, a female demon and new guest of Ravenscliff, stirs up trouble that is greater than anything Devon has experienced before. Reprint.

A novel "filled with very credible teen angst, morality, and an intriguing blend of science fiction and fantasy" from the author of *A Wizard Abroad* (School Library Journal). Still recovering from an overly eventful vacation in Ireland, teenage wizard Nita Callahan is looking forward to some peace and quiet in her suburban New York home. Instead, her close friend Kit seems to be acting a little weird, and Nita keeps running into problems for which wizardry either isn't the answer or else it's the wrong one. How do you fix what can't be fixed? Only the Transcendent Pig knows, and it's not telling. But Nita needs to find out—and soon. Her wizardly partnership with Kit starts to fall apart. Much worse, her mother gets sick . . . so sick she may never leave the hospital. Only one person can help Nita—the One she's devoted her life to fighting. "Powerful and satisfying."—Kirkus Reviews (starred review) "A gripping and dynamic fantasy . . . Fans of the author will flock to this new adventure, which likely will bring new readers to the series."—VOYA Praise for the Young Wizards series "Duane is tops in the high adventure business . . . This rollicking yarn will delight readers."—Publishers Weekly "High Wizardry is . . . high entertainment."—Locus "Recommend this series to young teens who devour books about magic and wizards . . . or kids looking for 'Harry Potter' read-alikes."—School Library Journal "Stands between the works of Diana Wynne Jones . . . and Madeleine L'Engle . . . An outstanding, original work."—The Horn Book

Unaware of his sorcerer heritage and unable to explain his supernatural powers, fourteen-year-old Devon March is sent to live at Ravenscliff, where he must single-handedly fight off the evil forces of the Hellhole.

Devon March is a fourteen-year-old boy with strange, unexplained powers. And - since the time he was just six years old - he has had to fight off periodic attacks from the hideous demons that live deep down inside his closet. He has never understood why he has these powers, or why his closet is a gateway into Hell. When his father dies, Devon is sent to live at a mansion called Ravenscliff, perched atop Devil's Rock on the craggy coast of New England. Here, Devon suspects he will find the truth of his past. Indeed, Devon discovers he is a Sorcerer of the Order of the Nightwing and that his heritage is proud and

noble. But he learns something else, too: there exists at Ravenscliff a Hellhole, and the demons are scratching to get out...

Devon March matches wits and wizardry against a five-hundred-year-old evil in *Demon Witch*, the spine-tingling sequel to *Sorcerers of the Nightwing Long* before the days of Madman Jackson Muir, a witch named Isobel the Apostate made war upon her fellow sorcerers, the noble order of the Nightwing. Backed by an army of bloodthirsty demons, she became the most feared woman in all of Europe, even challenging King Henry VIII for the throne of England. Burned at the stake for her crimes, Isobel vowed to return and conquer the world. She kept her word. And now that she is back, the only person who can prevent hell on earth is fourteen-year-old Devon March. In *Demon Witch*, the second thrilling installment of the Ravenscliff Series, Devon must summon all of his strength and courage to fight the evil Isobel and her demon horde, who aim to open the Hellhole beneath Ravenscliff and free the beasts within. As Devon's Nightwing powers grow and he discovers more of the secrets of his past, life at Ravenscliff takes another unusual turn when a long-lost member of the family returns -- with a beautiful and charming surprise. This new arrival will put Devon's blossoming relationship with Cecily to the test, and challenge his friendships with D.J., Alexander, and even his mentor, Rolfe -- all of whom he will need to thwart the diabolical plans of Isobel. In a battle that takes him from modern-day Ravenscliff to Tudor England and back again, Devon March must unleash the Nightwing power within him and call upon friendships in the strangest of places to stand against an evil that has waited five centuries for revenge. For at Ravenscliff, friends come in all sizes and shapes -- and enemies are everywhere.
