In the tradition of Ira Levin ' s A Kiss Before Dying and Donna Tartt ' s The Secret History comes a suspenseful thriller from the international bestselling author of The Bronze Horseman—an utterly captivating story about four Ivy League students whose bizarre friendship leads to a twisted maze of secrets, lies, betrayal, and murder. As the star player of Dartmouth College ' s women ' s basketball team, Kristina Kim is beautiful, intelligent, and fearless. But though she ' s just 21, Kristina has already had her share of heartache, loss, and dark secrets that haunt her. She ' s best friends with Conni, Albert, and Jim, but the only one who seems to really know her is Albert. With long dark hair, tattoos, and a rebellious streak, Albert doesn ' t fit in with the rest of the clean-cut Ivy Leaguers. Like Kristina, he has his share of secrets—secrets that are beginning to unravel this intimate circle of friends. One wintry Thanksgiving weekend tragedy strikes... When Detective Spencer O ' Malley goes to investigate something suspicious at the foot of a steep hill on Dartmouth ' s campus, he doesn ' t expect that the frozen, naked body found in deep snow would belong to Kristina Kim—the remarkable young woman he met recently who entranced him. Now Spencer will never know if the

chemistry he had with her was real. All he can do is find her killer. Spencer is pulled into the strange, complex web of the surviving friends. Many important questions about Kristina's murder cannot be answered, such as: why did none of them report her missing for nine days before her body was discovered? The more Spencer digs, the more clear it becomes that each of the three has a motive for killing Kristina. And as Spencer, seeking justice for a dead girl, is led down a labyrinth of deceit, every new revelation proves more shocking than the last...and more dangerous. " Simons handles her characters and setting with a certain skill, creating mystery from the ordinary, protected lives of these Ivy League kids, slowly peeling away their deceptions to reveal denial, cowardice, and chilling indifference...an engrossing story. " —Publishers Weekly

From the bestselling author of *Tides of Honour* and *Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about " wolf packs " of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. *Come from Away* is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

The epic saga of love and war continues—the heart-stopping sequel to Paullina Simons's beloved international bestseller *The Bronze Horseman*. Tatiana is eighteen years old, pregnant, and widowed when she escapes war-torn Leningrad to find a new life in America. But the ghosts of her past do not rest easily. She becomes consumed by the belief that her husband, Red Army officer Alexander Belov, is still alive and needs her desperately. Meanwhile, oceans and continents away in the Soviet Union, Alexander barely escapes execution, and is forced to lead a battalion of soldiers considered expendable by the Soviet high command. Yet Alexander is determined to take his men through the ruins of Europe in one last desperate bid to escape Stalin's death machine and somehow find his way to Tatiana once again.
