The way they move so graceful - choreograph. Feet stomping on the dirt, their arms and legs cutting through the air, and their breath syncing with their movements. My opponent is not as in sync as the others.

1 | The Mark of an Alpha

Alpha is the first letter in the Greek alphabet, its privileged position lending itself as a metaphor for primacy or superiority since at least the 1300s in English. By the 1870s, scientists were using the term alpha male to refer to the most dominant male animal in a group—like an alpha wolf, who achieves

Human leather clubs work to different rules. Dominants mate with submissives. Power is exchanged freely and for the ultimate pleasure of all. Sometimes the most alpha men in the club find happiness with the most omega men. And sometimes the omegas are more than they first appear to be. A wolf might be able to hide his identity and play anonymously in those clubs for a little while, but he can't ignore reality forever. Marsdon and Bennett have lives to get back to, they have packs to return to...they have wolfen traditions to follow. They have just one more night together before they have to lose each other forever. All they can do now, is make the most of it.

After Mason and his pack rescue her from certain death, Dani is given no choice about joining Mason's pack for her own protection. She soon learns that Mason is fully prepared to spank her bare bottom as often as is necessary to teach her to respect and obey him. With more hunters closing in and the pack under threat, Mason begins to realize that he must claim Dani as his mate for life-whether she likes it or not-before his need for her drives him mad. At the same time, she is forced to learn her role in the pack and come to terms with her instinctual need to submit to Mason as her alpha and her mate. Three decades ago, the charismatic Howard York built the empire of his dreams: the Hotel Alpha. It was once the finest in London, but over the years, as the world around it has moved on at an ever more dizzying rate, the hotel has struggled to keep pace. Graham, the Alpha's concierge, has been behind the front desk since the day the hotel opened and has witnessed every stage of its history. Chaz, Howard's blind adopted son, has almost never ventured outside its walls. Both of them view the Alpha as their sanctuary, the place that gives them everything they need. But both of them must now accept that the Alpha

Maximilian Tundra is about to have an existential crisis of cosmic proportions. When a physical duplicate of him appears in his living room, wearing a tight-fitting silver lamé unitard and speaking with an English accent, Max knows something bad is about to happen. Bad doesn't cover it. Max discovers he's the only human being who can prevent the end of the world, and not just on his planet! In the multiverse, infinite Earths will be destroyed. Personally, Max thinks the multiverse is in big trouble, because he can't even keep his toenails clipped on the regular, let alone stop the apocalypse. His only "allies" are a race
