This is the third time I've bought this book. The Wisdom of Menopause was first issued in 2001 and then reissued in 2006. Unlike a lot of authors, when Dr. Northrup reissues a book she doesn't just change the cover. She updates her books to include all the newest research and medical choices you need to know about to be healthy in mind, body, and spirit.

November 4, 2019. Menopause. Research into the physiological changes taking place in perimenopausal woman is revealing that, in addition to the hormonal shift that means an end to childbearing, our bodies—and, specifically, our nervous systems—are being, quite literally, rewired. There is much, much more to this midlife transformation than “raging hormones.”
