This is an excellent book as a wonderful adaptation of the classic fairy tale of the Three Little Pigs, set in a Cajun setting. My five year old girl loves it and caught on to the twist right away, as Claude the Alligator plays the Big, Bad, Wolf. Mike Artell did a great job!

I discovered this book, a reworking of the classic Three Little Pigs but featuring a Cajun setting, while I was serving as a library media specialist in a K-12 school. My joy is to read-aloud to the very young, dramatizing the characters and teaching. Prior to the reading of this book, we used maps to locate France, Canada, Louisiana, and the

Summary: This is a spoof on the story of The Three Little Pigs. In this story all of the pigs are Cajun from Southern Louisiana and are fighting off an alligator instead of a wolf. Like in the traditional story of The Three Little Pigs, one builds a house out of straw, one builds a house out of wood, and one builds his house from bricks.

Three Little Cajun Pigs, by Mike Artell I wasn't sure about this one
at first, because I have a really hard time reading books with a Cajun
accent. But once I got the hang of it, I started to like it -and my
Four loved it! When the three pigs' mother kicks them out of their
Louisiana home, the pigs build their own houses.
