Clear Thinking and Writing will do exactly what its title says--help students focus their thinking and improve their writing. Students will learn that the most important things to do as a thinker and writer are to: 1) Make a clear point, and 2) Provide solid support for the point. Too many writing books lose sight of the forest for the trees. Clear Thinking and Writing presents in a nutshell what students need to do to become better thinkers and writers: make a point and then support it with appropriate, well-organized specific evidence. It gets to the heart of the matter and presents clear thinking and writing as skills that students can learn--Publisher's

description.

[This text]is designed to develop effective reading and clear thinking. [It] begins with basic matters: having the right attitude, learning key study skills, and developing a reading habit. [It] consists of ten additional readings that will help improve both reading and thinking skills. [It also] consists of twelve combined-skills tests. The tests provide a review of the comprehension skills [to] prepare students for the standardized reading exam that is often a requirement at the end of a semester. -Pref. to the instructor.

Ben McKee, a new student at Bluford High School, tries to hide the bruises covering his body from his teachers and his new friends.

This instructor's edition of a vocabulary textbook for college students, who read at the fifth to eighth grade level, features 25 chapters and teaches 250 basic words. The first and third chapters in each unit contain word-part practices. The second and fourth chapters in each unit contain synonym-antonym practices. The book's last chapter in each unit contains an analogy practice, review, and test. Also included is an answer key, a section on dictionary use, and a word list. The student edition is identical to the instructor's edition except that answers are not provided. (CR)
