network extender manual

In writing *Le Livre de Promethea* Hélène Cixous set for herself the task of bridging the immeasurable distance between love and language. She describes a love between two women in its totality, experienced as both a physical presence and a sense of infinity. The result is a stunning example of *Écriture féminine* that won kudos when published in France in 1983. Its translation into English by Betsy Wing will extend the influence of a writer already famous for her novels and contributions to feminist theory. In her introduction Betsy Wing notes the contemporary emphasis on "fictions of presence." Cixous, in *The Book of Promethea*, works to "repair the separation between fiction and presence, trying to chronicle a very-present love without destroying it in the writing."

Sergeant Steve Maharidge returned from World War II an angry man. The only evidence that he'd served in the Marines was a photograph of himself and a buddy tacked to the basement wall. On one terrifyingly memorable occasion his teenage son, Dale, witnessed Steve screaming at the photograph: "They said I killed him! But I didn't kill him! It wasn't my fault!" After Steve died, Dale Maharidge began a twelve-year quest to face down his father's wartime ghosts. He found more than two dozen members of Love Company, the Marine unit in which his father had served. Many of them, now in their eighties, finally began talking about the war. They'd never spoken so openly and emotionally, even to their families. Through them, Maharidge brilliantly re-creates Love Company's battles and the war that followed them home. In addition, Maharidge traveled to Okinawa to experience where the man in his

father's picture died and meet the families connected to his father's wartime souvenirs. The survivors Dale met on both sides of the Pacific Ocean demonstrate that wars do not end when the guns go quiet—the scars and demons remain for decades. *Bringing Mulligan Home* is a story of fathers and sons, war and postwar, silence and cries in the dark. Most of all it is a tribute to soldiers of all wars—past and present—and the secret burdens they, and their families, must often bear.

In the brave new Japan of the 1870s, Taka and Nobu meet as children and fall in love; but their relationship will test the limits of society. Unified after a bitter civil war, Japan is rapidly turning into a modern country with rickshaws, railways and schools for girls. Commoners can marry their children into any class, and the old hatred between north and south is over - or so it seems. Taka is from the powerful southern Satsuma clan which now dominates the country, and her father, General Kitaoka, is a leader of the new government. Nobu, however, is from the northern Aizu clan, massacred by the Satsuma in the civil war. Defeated and reduced to poverty, his family has sworn revenge on the Satsuma. Taka and Nobu's love is unacceptable to both their families and must be kept secret, but what they cannot foresee is how quickly the tables will turn. Many southern samurai become disillusioned with the new regime, which has deprived them of their swords, status and honour. Taka's father abruptly leaves Tokyo and returns to the southern island of Kyushu, where trouble is brewing. When he and his clansmen rise in rebellion, the government sends its newly-created army to put them down. Nobu and his brothers have joined this army, and his brothers now see their chance of revenge on the Satsuma. But Nobu will have to fight and maybe kill Taka's father and brother, while Taka now has to make a terrible choice - between her family and the man she loves ...

"Klezmer" is a Yiddish word for professional folk instrumentalist—the flutist, fiddler, and bass player that made brides weep and guests dance at weddings throughout Jewish eastern Europe before the culture was destroyed in the Holocaust, silenced under Stalin, and lost out to assimilation in America. Klezmer music is now experiencing a tremendous new spurt of interest worldwide with both Jews and non-Jews recreating this restless volatile, and vibrant musical culture. Firmly centered in the United States, klezmer has paradoxically moved back across the Atlantic as a distinctly "American" music, played throughout central and eastern Europe, as well as in many other parts of the world. Fiddler on the Move places klezmer music squarely within American music studies, cultural studies, and ethnomusicology. Neither a chronology nor a comprehensive survey, the book describes a variety of approaches and perspectives for coming to terms with the highly diverse array of activities found under the klezmer umbrella. Bringing to his subject the insights of an accomplished ethnomusicologist, Slobin addresses such questions as: How does klezmer overlap with, and differ from, the many other contemporary "heritage" musics based on an assumed connection with a group identity and links to a tradition? How do economics, artistic expression, and the evocation of the past interact in motivating klezmer performers and audiences? In what kinds of environment does klezmer flourish? How do stylistic features such as genre, form, and ornamentation help to define the technique, affect, and aesthetic of klezmer? Featuring a music CD with many of the archival and contemporary recordings discussed in the text, this fascinating study will interest scholars, students, musicians, and music lovers

Amy Goodnight has long been the one who makes her family seem somewhat normal to others, but while spending a summer with her sister caring for their aunt's farm, Amy becomes the center of weirdness when she becomes tied to a powerful ghost.

Dancing Carl, Gary Paulsen's first novel, was a ALA Best Book for Young Adults and a Notable Children's Trade Book for the Language Arts. In the winter, life in McKinley, Minnesota, revolves around the rinks, where kids play hockey and grown-ups skate to scratchy phonograph records. Then, the year Marsh and his best friend, Willy, are twelve, Carl appears at the rink, wearing a battered, old leather flight jacket and doing a strange dance that is both beautiful and disturbing to watch. It is Marsh and Willy who discover the terrible secret behind Carl's dance, a secret that threatens to destroy him. But a small miracle occurs, and Carl's dance becomes a fragile and tentative expression of hope and the healing power of love.

One of the most culturally diverse regions of the ancient world, Mesoamerica was also one of the fledgling areas for state formation. The case studies in this volume interpret Mesoamerican civilization through the emergence, resilience, and occasional demise of Mesoamerica's early and developing

political economies. An exploration of the unique adaptations and approaches taken by Mesoamerican societies to cope with their evolving landscapes provides insight on how these states were organized and the varying ways in which state affairs were conducted between regions and through time. Although several factors are presented and discussed for the rise and fall of the many complex societies, the book maintains a consistent emphasis on the political economy and its transformative effects over labor, land, and water. Inspired by the impact of the annual yearbook *Research in Economic Anthropology (REA)* and its longstanding editor, Barry L. Isaac, the contributors in this volume were assembled to honor Isaac and selected based on their previous association with Isaac and REA as well as their knowledge of particular regions of Mesoamerica.

A collection of over 200 recipes from the familiar to the exotic including sorbets, gelatos, parfais, spoons and ice-creams. Classic French, Italian and American ices are represented as well as those from Asia and the Middle East. The recipes cater for both adult and children's tastes. All are suitable for making with or without an ice-cream making machine.

As they examine each familiar phrase of the Lord's Prayer, readers will uncover a profound framework for spiritual growth. In a reader-friendly, memorable style, David Timms points to Jesus's teaching on community, love for the broken and isolated, holiness in an age of profanity, dealing with the evil within, resisting temptations, and much more. This critically acclaimed book will appeal to all who desire to go deeper into spiritual formation, helping them taste the life-giving water that only Jesus can provide. The new discussion guide makes it a great book for small groups as well as individuals.
