This is THE service manual for these cars, from the days  
when cars were simple enough to put pretty much everything  
in a single hardback book. If you own a Beetle, you need a  
copy (If you don't want to work on your own car, what are you  
doing with an air-cooled VW?). I bought this for my 16 year  
old son when he acquired his '74 Beetle.
