[Siren Menage Everlasting: Erotic Cowboy Menage a Trois Romance, M/F/M, HEA] Sally Brooks is feeling somber about her life as those around her find love. She wants to have a boyfriend or two, wants someone to hold her, make her feel loved and protected. The two men she finds irresistibly attractive are ex-military brothers Mason and Steven Marcus.

But they avoid her even when she makes an effort to flirt. Fed up and overwhelmed, Sally accepts a date with Garret Walters. He's a good-looking cowboy with money and attitude. Accepting his date turns into a horrible experience. Garret and his friend Keiffer had plans to abduct Sally. It takes this incident, and the fact that Garret still wants to pursue Sally, to get Mason and Steven to open up about their feelings for her. Steven and Mason are double trouble in Sally's eyes, and they ignored her this entire time, so why should she give them a chance now when she feels like nothing more than a damsel in distress? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance

1968 looks like it'll be a pretty good year for Jaynell Lambert. The town's going to pave the dirt road she lives on, her girly-girl sister, Racine, isn't driving her completely crazy, and Grandpap has just moved in with his new emerald green Cadillac convertible. Jaynell and Grandpap have something

When Jaynell finds out Grandpap's secret, the legacy of an old man transforms a family, and a town. "At once gritty and poetic, stark and sentimental . . . a solid page turner.
