~~To the Beat of Her Own Drum: Ladies of the Beat Generation ...~~

The women of the Beat generation encountered a great deal of resistance when they dared to write their own experience, predominantly due to social and cultural expectations. Post-War America was built upon conformist ideals, particularly regarding women's roles in society; the 1950's woman was expected to present herself as the perfect housewife, ruling the domestic sphere as a wife and a mother.

The Beat Generation was a literary movement started by a group of authors whose work explored and influenced American culture and politics in the post-war era. The bulk of their work was published and popularized throughout the 1950s. The central elements of Beat culture are the rejection of standard narrative values, making a spiritual quest, the exploration of American and Eastern religions ...
